## 1. INTRODUCTION

The Head of Household Browser allows you to enter information about a household into FRS 2.1. This information allow FRS 2.1 to compute the data on the Form HUD-50058 and then send it to MTCS.

## 2. GETTING STARTED

Before you enter any new information for a participant, **you MUST first review the existing households to verify that this household does not already exist in your database.**

To do this:

- 1) Click on the Maintain Household icon to open the Maintain Household window.
- 2) Search the Maintain Household browser for the Head of Household's last name.

**NOTE:** If the participant already exists in the database, you may edit the existing record through the Maintain Household window. For further information on the Maintain Household function, see Chapter 4-A, Maintain Household Information, at: [www.hud.gov/pih/systems/mtcs/document.html](http://www.hud.gov/pih/systems/mtcs/document.html).

If the household does not already exist in FRS 2.1, click on the  button to begin.

## 3. HEAD OF HOUSEHOLD INFORMATION

The first window, **Head of Household**, appears automatically after you click on the New Household button. Before you begin to enter data for the household, you must enter information about the Head of Household. FRS 2.1 refers to a particular household record by the Head of Household.

**NOTE:** For definitions of the field, refer to the Form HUD-50058 Instruction Booklet.

The **Head of Household** window contains several fields, check boxes, and list boxes. The system generates three of the fields for you.

- 1) Enter information into the fields of the **New Head of Household** window.
  - **Member Number** (software generated)

- **Last Name & Sr., Jr., etc. (3c)**
- **First Name (3c)**
- **Middle Initial (MI) (3d)**
- **Date of Birth (3e)**
- **Age on Effective Date of Action (3f, software/FRS 2.1 generated)**
- **Sex (3g)**
- **Relation (3h, software/FRS 2.1 generated):** FRS automatically indicates H for the Head of Household.
- **Citizenship (3l):** Click  to obtain a list of citizenship codes. Select the code that best describes the Head of Household's United States citizenship status.
  - ◊ (EC) eligible citizen
  - ◊ (EN) eligible noncitizen
  - ◊ (IN) ineligible noncitizen
  - ◊ (PV) pending verification
- **Disability (3j):** Click on the **Yes** check box to indicate if the Head of Household is disabled.
- **Race (3k):** Click  to obtain a list of codes. Select the code that the Head of Household determines to best indicate his or her race. These codes are the official codes the Federal Government uses for census-taking and related activities. The U.S. Office of Management and Budget (OMB) mandates the use of these codes.
  - ◊ (1) White
  - ◊ (2) Black
  - ◊ (3) American Indian/Alaska Native
  - ◊ (4) Asian/Pacific Islander
- **Ethnicity (3m)**
- **Social Security Number (3n)**
- **Alien Registration Number (3p)**

2) Click  to save the Head of Household information and move to the next window. The **1. Agency** window appears.

3) Click  to cancel all entries and close the window.

From this point forward, grayed out box appears at the top of each screen that contains the Head of Household's name and SSN. FRS 2.1 generates this information from the information you provided in the Head of Household window.

## 4. AGENCY INFORMATION

The **1. Agency** window collects information about the Housing Agency and the program in which the family participates.

This window consists of one window with several fields and five list boxes. The software generates the first three fields for you. If you select Public Housing, Indian Housing, or Indian Mutual Help in the program field, the system enables the last four list boxes.

- 1) Review the **Agency name (1a)**, **HA state (1b)**, and **HA number (1c)** to confirm that the fields contain the correct information for your agency. FRS 2.1 presents the information you provided at installation in these fields.

**NOTE:** If any information is incorrect, return to the Housing Agency Profile in the Main Menu to correct the information. Refer to the *Complete the Housing Agency Profile* Chapter for instructions.

- 2) Enter the **Program (1d)** in which the family participates: Click  to obtain a list of program types. Select the appropriate program:

- Public Housing
- Certificate
- Manufactured Home Owner - Certificate
- Voucher
- Manufactured Home Owner - Voucher
- Mod Rehab
- Mod Rehab converted to Certificate
- Indian Housing
- Indian Mutual Help

**NOTE:** If a household participates in Section 8, FRS 2.1 skips steps 3-6 and proceed directly the Action Information, however if the family participates in a Public Housing, Indian Housing, or Indian Mutual Help program, FRS 2.1 activates the following steps 3-6:

- 3) **1e. Project state, if different from 1b** field. Click  to obtain a list of states based on the information you provided at installation. If the project state is the same as the HA state, go to the next step.
- 4) **1f. Project/originating HA number, if different than 1c** field. Click  to obtain a list of project/originating HA numbers. If the project/originating HA number is the same as the HA number, go to the next step.

- 5) **1g. Project number** field. Click  to obtain a list of project numbers. Select the appropriate project number, then go to the next step.
- 6) **1h. Site number or suffix, if applicable** field. If the family resides in a project with a site number or suffix, click  to obtain a list of site numbers/suffixes. HUD assigned site numbers or suffixes to the project sites of some Public and Indian Housing Agencies.
- 7) Click  or  at the bottom of the screen. The **2. Action** window appears.

## 5. ACTION INFORMATION

The **2. Action** window collects information about the family's type of action. This window consists of one page with several fields and check boxes which require data entry. The system does not generate any of the fields for you.

- 1) Complete **2a. Type of action**. Select from these choices:
  - **New Admission**
  - **Annual Reexamination**
  - **Interim Reexamination**
  - **Portability Move-In**
  - **Portability Move-Out: *Vouchers only***
  - **End Participation**
  - **Other Change of Unit**
  - **FSS Enrollment or Exit Only**
- 2) Complete **2b. Effective date of action**
- 3) Complete **2c. Date of admission to the program**
- 4) Complete **2e. FSS Participant now or in the last year**

**NOTE:** You can only access  if you indicate **Yes**.
- 5) Complete **2f. Use if instructed by HUD**
- 6) Enter **2g. HA Use Only**
- 7) Click  or  at the bottom of the screen. The **3. Household** window appears.

## 6. HOUSEHOLD INFORMATION

The 3.0 Household window collects information about both family members and non-family members who reside in the unit. It consists of one page with several fields, check boxes, and list boxes which require data entry. The software generates some of the fields for you.

When you arrive at the **3. Household** window, you have three options:

-  new household members

## 10. DELETE AN ASSET RECORD

In most fields, use the <Delete> or <Backspace> keys to delete information you entered before you leave the field. In the Asset Information area, this action does not delete information you selected from a drop down box.

If the record has not been written to the database in FRS 2.1 (saved in the file), use the <Esc> key to remove the record. If you have completed all information about the asset and moved to the next line or the next window, you have saved the information in FRS 2.1. You can also determine if FRS 2.1 saved the information by checking the column totals at the bottom of the window.

For example, suppose you enter information about an asset and later you discover you need to delete this asset. In this example, you entered an asset of a Certificate of Deposit (CD) worth \$100.

To delete the asset, follow these steps:

- 1) Click in the area to the left of the asset. A shaded triangle appears.

- 2) Press the <Delete> key. A message appears to inform you that you deleted a record.

- 3) Click  to proceed with the deletion of the asset, or click  to keep the asset unchanged. If you click OK, when you return to **Assets information** window, the

asset no longer appears. When you click the  button, FRS 2.1 immediately recalculates the asset information at the bottom of the window.

## 11. INCOME INFORMATION

The **7. Income** window collects information about the family's income. It consists of one page with several fields and list boxes which require data entry. The software generates some of the fields for you.

**NOTE:** The window only displays income information for the selected family member. The column totals display totals for the entire family, not just the selected family member.

- 1) Complete **7a. Family member name**. Click  to see a list of the family members. Select the appropriate family member.

**NOTE:** If a family member does not have any income, do not enter any information for that person.

- 2) Complete **7b. Source of income**. Click  to see a list of income types.
- 3) Review **7c. Income code**. (software generated)
- 4) Complete **Dollars per period**.
- 5) Complete **Periods per year**.
- 6) Review **7d. Dollars per year**. (software generated)

- 12) Review **7m. Total annual income**. (software generated)
- 13) Click  or  on the bottom of the screen. The **8. Expected Income per year** window appears.

## 12. DELETE AN INCOME RECORD

In most fields, use the <Delete> or <Backspace> keys to delete information you entered before you leave the field. In the Income Information area, this action does not delete information you selected from a drop down box.

If the record has not been written to the database in FRS 2.1 (saved in the file), use the <Esc> key to remove the record. If you have completed all information about the income and moved to the next line or the next window, you have saved the information in FRS 2.1. You can also determine if FRS 2.1 saved the information by checking the column totals at the bottom of the window.

Suppose you enter information about a family member's income and later you discover you need to delete this income.

To delete the income, follow these steps:

- 1) Click in the area to the left of the income. A shaded triangle appears.

- 2) Press the <Delete> key. A message appears to inform you that you deleted a record.

- 3) Click  to proceed with the deletion of the income record, or click  to keep the income record unchanged. If you click OK and return to **Income information** window, the income no longer appears. When you click the  button, FRS 2.1 immediately recalculates the income information at the bottom of the window.

### 13. EXPECTED INCOME INFORMATION

The **8. Expected Income per year** window collects information about the family's expected income per year after deductions. This window consists of two pages with several fields which require data entry. The software generates many of the fields for you.

- 18) Review **8u. Total allowances.** (software generated)
- 19) Review **8v. Adjusted annual income.** (software generated)
- 20) Click  or . The **9. Total Tenant Payment (TTP)** window appears.

## 14. TTP INFORMATION

The **9. Total Tenant Payment (TTP)** window collects information about the family's total tenant payment (TTP). This window consists of one page with three fields which require data entry. The software generates many of the fields for you.

- 1) Review **9a. Total monthly income.** (software generated)
- 2) Review **9c. TTP if based on annual income.** (software generated)
- 3) Review **9d. Adjusted monthly income.** (software generated)
- 4) Review **9f. TTP if based on adjusted annual income.** (software generated)
- 5) Complete **9g. Welfare rent per month.**
- 6) Complete **9h. Minimum TTP.**
- 7) Review **9j. TTP.** (software generated)
- 8) Complete **9k. Most recent TTP.**
- 9) Click  or  at the bottom of the screen. The appropriate **Program** window appears.

## 15. PUBLIC HOUSING, INDIAN RENTAL, AND TURNKEY III INFORMATION

Complete these windows only if you indicated a program code (field 1d) of Public or Indian Housing. If the family participates in a program other than Public or Indian
